

TILT Secures New Credit Facility

Strengthens financial profile and positions the Company for future growth

CAMBRIDGE, Mass.--(BUSINESS WIRE)--May 1, 2019--TILT Holdings Inc. ("TILT" or the "Company") (CSE: TILT) (OTCQB: SVVTF), a leading business to business cannabis company, announced today that it has successfully secured a US\$20 million credit facility ("Credit Facility"). The Credit Facility strengthens the Company's financial profile and is the first step towards a larger raise, taking advantage of a lower cost of capital and positioning the Company for future growth.

"We are pleased to announce this first closing of a Credit Facility as part of our larger debt financing initiatives, indicative of the capital market's increasing acceptance of cannabis companies," said Alex Coleman, Chairman and CEO of TILT. "By issuing debt, we can both lower our cost of capital and minimize dilution to our shareholders. This is another example of how TILT is focused on adhering to the highest level of financial principles with a commitment to building long-term shareholder value as we have negotiated a low cost approach to capital for expansion. Further, the majority of capital initiatives are allocated for asset expansion, as the operations of the Company require substantially less funding despite our rapid growth."

The Credit Facility has been created pursuant to a loan agreement ("Loan Agreement") dated April 29, 2019 and among Standard Farms, LLC ("Standard Farms") and White Haven RE, LLC, both indirect wholly-owned subsidiaries of TILT, as borrowers (the "Borrowers"), Bio Alpha Ventures, LLC ("BAV"), Goldrath Alpha Venture LLC ("GAV") and certain other parties consented to by BAV and GAV, as lenders (collectively, the "Lenders"), BAV and GAV as agents for the Lenders and TILT and each of its indirect and direct wholly owned subsidiaries as guarantors for the Borrowers (collectively, the "Guarantors"). BAV and GAV are wholly owned companies of Peter Bio and Jonathan Goldrath, respectively, officers of Standard Farms. Under the Loan Agreement the Lenders will provide US\$8 million initially (the "Initial Advance"), followed by an additional US\$12 million to be issued by May 10th (the "Additional Advance", and together with the Initial Advance, the "Term Loan"), subject to the satisfactory completion of due diligence by the Lenders, at an effective interest rate of 18.75%. The Initial Advance will become due and payable on June 28, 2019, unless the Additional Advance is issued by the Lenders, in which case the Term Loan will be payable 180 days after the closing of the Term Loan. The Initial Advance is secured by a first lien on all of the tangible and intangible assets of the Borrowers. If the Additional Advance is issued, a first lien will also be granted on all of the tangible and intangible assets of Sea Hunter Therapeutics, LLC. Proceeds will be utilized to fund existing and future growth projects, future M&A activity and general corporate purposes.
