

# Trulieve to Purchase Land for Indoor Cultivation Use

*Company making a significant investment in the growth of the company*

TORONTO, May 30, 2019 /CNW/ - Trulieve Cannabis Corp. ("Trulieve" or the "Company") (CSE: TRUL & OTC: TCNNF) today announced that the Company has acquired 84.97 acres of land in Jefferson County, Florida which will be used to construct a 750,000 square foot, state-of-the-art indoor growing facility. The facility will be constructed in phases and will be largely automated. Its proximity to Trulieve's production facility in Midway, Florida will allow for convenient transport for processing of the product. It is expected to bring up to 300 jobs to the area.

"Trulieve's need for additional cultivation is being met with this new facility. The new site will supply us with additional product allowing us to meet the growing demands of Florida's patients at a relatively low cost." said Kim Rivers, CEO of Trulieve. "We are excited to implement these new techniques and experience the enhancements and efficiencies these new methods will bring to our cultivation capabilities."

## About Trulieve

Trulieve is a vertically integrated "seed to sale" company and is the first and largest fully licensed medical cannabis company in the State of Florida. Trulieve cultivates and produces all of its products in-house and distributes those products to Trulieve branded stores (dispensaries) throughout the State of Florida, as well as directly to patients via home delivery. Trulieve is listed on the Canadian Securities Exchange under the symbol TRUL.
